Mission Statement

Our mission is to prepare our students for tomorrow’s world by providing effective and innovative educational practices in a safe and supportive environment.

Vision Statement

Unlock the full potential of every student.

In pursuit of this vision, our schools are committed to inspiring life-long learners, progressing technologically, motivating students and staff, fostering a student-centered culture, providing a safe, equitable learning environment that includes high quality facilities for students and staff, welcoming parent and community involvement, teaching life skills necessary for success, cultivating responsible citizens, and improving continually.

Core Principle

Students First.
Beliefs

All students can learn.

Learning is a life-long process.

Everyone is unique and has value.

Individuals must be prepared for a global society.

A safe and supportive environment nurtures growth.

Decisions must be based on what is best for all students.

Education is a joint school, family, and community venture.

Learner Expectations

We expect students to attain the world class knowledge, skills, life and career characteristics as outlined in the Profile of the South Carolina Graduate
