## **Welcome**

We would like to welcome you to the Spartanburg School District Two. As a district, we look forward to working with each new employee. The office of personnel has prepared a handbook that is intended to give new certified employees an overview/summary of relevant policies, regulations, and procedures that might be of particular interest. If there are questions about any of the handbook contents or any item not covered, please ask your principal or supervisor for assistance. New employees may also contact the office of personnel with questions.

For the record, the complete and official text of all Spartanburg School District Two policies and regulations, as approved by the board of trustees, are contained in the Spartanburg School District Two Policy Manual. Policy manuals can be accessed by clicking the link below:

<https://boardpolicyonline.com/?b=spartanburg2>.

## **General Information**

Spartanburg District Two, one of seven school districts in Spartanburg County, serves the Boiling Springs and Chesnee areas. The district, located in the beautiful northeastern section of the county, has a growing student population of approximately 10,500 students. Growth in the district can be attributed to our proximity to interstate highways, expanding business and commerce in the area, the availability of housing at all price ranges, and the excellent reputation of the school district. Spartanburg School District Two is comprised of 134 square miles and has an approximate population of 40,000 people.

At present, our district has nine elementary schools, and six secondary schools, including two high schools: Boiling Springs High and Chesnee High.

## **Spartanburg School District Two Vision Statement**

Our Shared Vision is to be the premier school district in which to live and learn, ensuring all students are prepared for life's opportunities by providing a safe and positive culture with excellence in academics, athletics, and the arts.

## **Spartanburg School District Two Mission Statement**

Our Shared Mission is to serve students by empowering them to realize their maximum potential while engaging in rigorous, relevant, real-world learning opportunities within a caring, collaborative, and creative environment.

### **Supervisor/Employee Relationships**

Certified employees at the school level work directly for and are supervised by the building principal. All problems, requests for assistance, and materials pertaining to the employee's work should be directed to the building principal. Additionally, a teacher must consult with the building principal before initiating any new procedures, plans, or programs.

The building principal is available for guidance and assistance to teachers with problems pertaining to students. Employees must also adhere to board policy and procedures in carrying out their assigned duties.

### **Tort Liability**

The board of trustees currently provides tort liability insurance for all district employees (both full and part-time) through the Division of General Services, State of South Carolina. The limit of the coverage is \$1,000,000.00 for each individual. A copy of the actual policy is on file in the district office.

### **Insurance/Benefits**

All full-time (and part-time certified working a minimum of 30 hours) employees are eligible for insurance/benefits. Insurance options will be covered with the staff member at a meeting with the benefits coordinator. Brochures, pamphlets, and newsletters are distributed to all full-time employees. Questions/concerns about plans or coverage are to be directed to the benefits coordinator. Each new employee is given an Employee Benefits Brochure, which outlines all benefits that are offered.

### **Employee Assistance Program (EAP)**

The EAP offers help for personal and/or professional concerns by providing free, confidential, short-term counseling and personal consultation. Additionally, the EAP provides work-life resources for such issues as legal and financial consultations, online learning and resources.

The EAP has a network of counselors that are conveniently located. They can help employees improve or resolve personal difficulties whether big or small, personal or work-related.

To seek assistance through the EAP, simply call **704-529-1428** or **800-633-3353**.

### **Optional Retirement Plan (ORP)**

An optional retirement plan is available to new employees to the district. This optional plan gives qualifying employees a choice between the regular retirement system and a choice of plans offered by the four state-approved companies. Specifics are available from the benefits office.

### **Workers Compensation**

Workers Compensation is provided for all employees of the district. This insurance protects school district employees who suffer any accident while performing school-related duties. The district pays premiums for this insurance.

According to South Carolina law, accidents must be reported to the principal/supervisor within 24 hours. The principal/supervisor must complete the appropriate form (Form 12A) and submit a copy of the form to the office of personnel. In the event of injury, specific instructions for receiving care with our workman's compensation doctors will be given.

### **Professional Contracts**

Because a signed contract is a binding document the moment it is endorsed, it becomes an executed. Any employee wishing to break his/her contract must be release from his/her contract by the District. In most cases, a suitable replacement must be secured before an employee is released from his/her contract.

*NOTE: Contracts for the 2022 - 2023 school year will be issued in April 2022.*

**NOTE: Breach of contract can lead to a recommendation for certification revocation for a period of one (1) year.**

### **Teaching Certificate/License**

#### **Professional (five-year) Certificate**

It is the responsibility of each certified employee to maintain a valid teaching certificate. A copy of the current certificate is to be kept on file in the office of personnel. We will provide reminders to staff members whose certificate expires at the end of the current school year (as of June 30<sup>th</sup>). For teachers with a **Professional Certificate**, the responsibility for maintaining certificate renewal documentation with regard to the teacher's staff development plan rests with the employee. Details are listed in the Spartanburg District Two Certificate Renewal Guidelines Notebook.

### **Evaluations**

All continuing contract teachers are evaluated using the SC Teaching Standards 4.0 Rubric. Induction and Annual teachers will also be evaluated using the SC Teaching Standards 4.0 Rubric during their first two years. School Librarians, School Counselors and Speech, Language Professionals will be evaluated under ADEPT.

### **Length of School /Work Day**

Classroom teachers are expected to work a minimum of seven and one-half hours each workday for a total of 190 days. Ten of the 190 days will be scheduled for staff development and/or teacher workdays.

### **Salary Information**

Teacher salaries are based on 190 days of employment. Certified staff members are paid according to the board approved salary schedule. The educational level and the years of experience are also factors. Teachers coming to us from out of state who have not been issued a South Carolina certificate will be paid at a bachelors with 0 years experience until their experience and educational level are verified with the Office of Teacher Certification in Columbia. If the verification is completed by the November 1<sup>st</sup> state deadline, the experience/educational level will be retroactive and the pay will be adjusted accordingly.

### **Pay Schedule/Location**

Employees will be paid the 20<sup>th</sup> of each month. If the 20<sup>th</sup> occurs on the weekend, employees will be paid the Friday before 20<sup>th</sup>. All staff members are to receive notifications prior to the end of the workday on the scheduled pay date.

A payroll calendar is published by the Payroll Specialist and is made available to principals/supervisors. Employees cannot receive their payroll notifications prior to the scheduled pay date.

### **Direct Deposit**

**Direct deposit is required for employees paid monthly.** Checks will be automatically deposited in area banking institutions on the scheduled pay dates. The necessary forms are available from the Office of Finance. Payroll information can be found on the Employee Self-Serve portion of the Employee Portal (see below).

### **Employee Self- Serve (ESS)**

All employees with direct deposit will have access to view their information on the District's Employee Portal found in the upper right hand of the Districts main website or on the link: <https://ess.spartanburg2.k12.sc.us>. Log-in instructions are also available on the Employee Portal as well. For questions about ESS, contact Payroll in the Finance Department.

### **Personnel Information**

All personnel must promptly report any change in name, address, telephone number, and certification information (certificate renewals, changes, and upgrades) to the office of personnel. Please note that our office can make address and name changes with the Office of Teacher Certification.

### **Criminal Record Report**

Employment is conditional upon receipt of a satisfactory SLED (South Carolina Law Enforcement Division) criminal record report and National Sex Offender Registry check.

### **Proviso Courses (Critical Needs Courses)**

Our District routinely offers a wide variety of courses (many in conjunction with local institutions). Courses and descriptions are made available to schools. Additionally, information regarding such courses can be found on the district website. Individuals will be asked to sign-up by a specified deadline. As a rule, our district will receive a specified number of slots for a particular course. Questions about courses should be directed to the Office of Instruction. Our district also offers mini-courses in computer technology. Dates and forms for sign-up are available.

### **Certified Resignations**

All certified staff members are required to submit a letter of resignation if leaving employment with the District. The letter should include the effective date of the employee's resignation and signature. The principal/supervisor and the superintendent should be informed at the earliest possible date so that arrangements can be made to find a suitable replacement. Please note that any resignation requiring a release from a signed contract will require the approval of the school board. **Also, staff members considering a resignation during the school year whose resignation would result in a breach of contract may be putting the District in a difficult situation. Depending on the circumstances, the District administration may ask the board of trustees to recommend that certificate revocation be pursued with the office of teacher certification.**

### **South Carolina Retirement System**

Most employees of Spartanburg County School District Two are required by law to join the South Carolina Retirement System. Members contribute 9.0% of their gross salary to the system. The deduction is made from each check and is placed in a retirement account. The district makes an additional contribution for all employees. After a period of eight years of earned service, employees are vested in the retirement system. As indicated earlier in the handbook, an optional retirement plan (ORP) is available to new employees to the district.

### **Courier Service**

A district-wide courier service is provided for the delivery and pick-up of inter-district communication, materials, and mail. On each scheduled date, the district courier makes a stop at all district locations (beginning and ending with the district administrative offices).

## **Professional Organizations**

Through a building representative, teachers will have the opportunity to join professional associations. Teachers should contact the building representative for further information concerning professional organizations.

## **Title IX Policy**

The District, as required by Title IX of the Education amendments of 1972 and its corresponding regulations (“Title IX”), does not discriminate on the basis of sex in its education programs or activities. Title IX prohibits gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex even if those acts do not involve conduct of a sexual nature. The District prohibits discrimination and harassment on the basis of sex or gender in all of its admission and employment practices as well as programs and activities by its employees, students or third parties.

The District will respond promptly to actual knowledge of sexual harassment in an education program or activity of the District against a person in the United States in a manner that is not deliberately indifferent. The response will treat complainants and respondents equitably.

Any allegations of inappropriate conduct of a sexual nature that fall outside of this policy will be handled consistent with other applicable Board policies, including the Code of Conduct.

## Board Policy Manuals

The Spartanburg School District Two Board of Trustees and administration continually revise and add policies to govern the operation of the school district.

Copies of the current board policy manual are available on the District’s website—<https://boardpolicyonline.com/?b=spartanburg2>.

In our handbook for new personnel, we have included a listing of selected policies that we hope will be beneficial to new staff members.

In all policy manuals, policies and regulations are divided into sections. The sections are arranged with a system that was developed by the National School Boards Association. Descriptor codes (letter designations) are assigned to policies by topics, with “-E” referring to an accompanying exhibit and “-R” to an accompanying regulation. A listing of sections and letter designations is as follows:
